SOS Hermann Gmeiner College, Bogura

EXPERIENCE

I have completed my web development course from "Programming Hero" which is one of the best programming institutes in Bangladesh. I have developed more than 20+ websites(both front-end and back-end) in this course. I have used html5, css3, bootstrap(library), tailwind, and material UI for front-end development. For the back-end, I have used JavaScript, React JS(framework), MongoDB(database), Firebase(authentication)and Netlify(hosting).

Achivement

Black belt

-for obtaining an average of 95% marks in web development course
